

Structural Concepts	Structural Concepts' Bid Specification
DELI	Alphabetical by model number.
GMDS12R	The deli display case shall be Structural Concepts' Fusion refrigerated service case (GMDS12R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, and T-8 top lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GMDS4R	The deli display case shall be Structural Concepts' Fusion refrigerated service case (GMDS4R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, and T-8 top lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GMDS4H	The deli display case shall be Structural Concepts' Fusion hot service case (GMDS4H) with individually controlled stainless steel heated wells (dry heat) and infrared overhead heat. Each well to accommodate three full size and three one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
GMDS6R	The deli display case shall be Structural Concepts' Fusion refrigerated service case (GMDS6R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, and T-8 top lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GMDS6H	The deli display case shall be Structural Concepts' Fusion hot service case (GMDS6H) with individually controlled stainless steel heated wells (dry heat) and infrared overhead heat. Each well to accommodate three full size and three one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
GMDS8R	The deli display case shall be Structural Concepts' Fusion refrigerated service case (GMDS8R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, and T-8 top lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GCD456R	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD456R) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top light. (1)

	adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GCD656R	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD656R) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top light. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GCD856R	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD856R) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top light. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GCD456H	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD456H) with 13"H hot service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold three individually controlled full size pans (not included). T-8 top light and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
GCD656H	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD656H) with 13"H hot service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold three individually controlled full size pans (not included). T-8 top light and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
GCD856H	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (GCD856H) with 13"H hot service display above and refrigerated self-service display below. Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold three individually controlled full size pans (not included). T-8 top light and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
GHSS436R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service work counter case (GHSS436R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and (1) adjustable/removable lighted metal shelf. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.

GHSS636R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service work counter case (GHSS636R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and (1) adjustable/removable lighted metal shelf. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GHSS456R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 56"H case (GHSS456R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GHSS656R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 56"H case (GHSS656R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GHSS460R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 60"H case (GHSS460R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GHSS460H	The deli display case shall be Structural Concepts' Fusion hot self-service case (GHSS460H) with stainless steel interior, two full end panels with mirror on inside of panel, front access to controls and heated metal shelves with lights. Conforms to NSF Standard 4. One year parts and labor warranty.
GHSS660R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 60"H case (GHSS660R) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GHSS660H	The deli display case shall be Structural Concepts' Fusion hot self-service case (GHSS660H) with stainless steel interior, two full end panels with mirror on inside of panel, front access to controls and heated metal shelves with lights. Conforms to NSF Standard 4. One year parts and labor warranty.
GP441RR	The deli display case shall be Structural Concepts' Fusion combination preparation/self-service case (GP441RR) with preparation service display above and refrigerated self-service display below (without rear storage). Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top light. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½"D Sanalite work surface, 7 ½"D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GP641RR	The deli display case shall be Structural Concepts' Fusion combination preparation/self-service case (GP641RR) with preparation service display above and refrigerated self-service display below (without rear storage). Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, (1)

	adjustable/removable non-lighted metal shelf and T-8 top light. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½”D Sanalite work surface, 7 ½”D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
GP841RR	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (GP841RR) with preparation service display above and refrigerated self-service display below (without rear storage). Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top light. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½”D Sanalite work surface, 7 ½”D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSPS48	The deli display case shall be Structural Concepts’ Fusion preparation/case (FSPS48) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, electric condensate pan, and 6’ power cord. Two laminated end panels. Lift-up single pane curved glass sneeze guard. Adjustable condiment pan rail w/Sanalite work surface and refrigerated rear storage. Air over and under the refrigerated pans. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSPS72	The deli display case shall be Structural Concepts’ Fusion preparation/case (FSPS72) with Breeze™ with EnergyWise slide-out self-contained refrigeration package, Temperature Terminated Defrost, electric condensate pan, and 6’ power cord. Two laminated end panels. Lift-up single pane curved glass sneeze guard. Adjustable condiment pan rail w/Sanalite work surface and refrigerated rear storage. Air over and under the refrigerated pans. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
