

Structural Concepts	Structural Concepts' Bid Specification
DELI	Alphabetical by model number.
FSDG144R.T1	The deli display case shall be Structural Concepts' Fusion refrigerated service case (FSDG144R.T1) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSDG48R.T1	The deli display case shall be Structural Concepts' Fusion refrigerated service case (FSDG48R.T1) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSDG48W.T1	The deli display case shall be Structural Concepts' Fusion hot service case (FSDG48W.T1) with individually controlled stainless steel heated wells and infrared overhead heat. Each well to accommodate three full size and three one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
FSDG72R.T1	The deli display case shall be Structural Concepts' Fusion refrigerated service case (FSDG72R.T1) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSDG72W.T1	The deli display case shall be Structural Concepts' Fusion hot service case (FSDG72W.T1) with individually controlled stainless steel heated wells and infrared overhead heat. Each well to accommodate five full size and five one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
FSDG96R.T1	The deli display case shall be Structural Concepts' Fusion refrigerated service case (FSDG96R.T1) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord, lighted mezzanine shelf, T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSDG96W.T1	The deli display case shall be Structural Concepts' Fusion hot service case (FSDG96W.T1) with individually controlled stainless steel heated wells and infrared overhead heat. Each well to accommodate seven full size and seven one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-place-tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.

FSDGW45OSR	The deli display case shall be Structural Concepts' Fusion refrigerated service wedge case (FSDGW45OSR) with remote refrigeration. Two laminated end panels with mirror on inside of panel. Lift-up tempered, single pane curved front glass. T-8 top and nose lights. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor warranty.
FSGURLR4854	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR4854) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGURLR4857	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR4857) with 16"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGURLR7254	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR7254) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGURLR7257	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR7257) with 16"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGURLR9654	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR9654) with 13"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6' power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGURLR9657	The deli display case shall be Structural Concepts' Fusion combination service/self-service case (FSGURLR9657) with 16"H refrigerated service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated

	Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, and T-8 top and nose lights. (1) adjustable/removable lighted metal shelf and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSGUWLR4854	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR4854) with 13”H hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold three individually controlled full size pans (not included). T-8 top and nose lights and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSGUWLR7254	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR7254) with 13”H hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold five individually controlled full size pans (not included). T-8 top and nose lights and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSGUWLR9654	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR9654) with 13”H hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold seven individually controlled full size pans (not included). T-8 top and nose lights and dry rear storage with sliding doors in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSGUWLR48.T1	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR48.T1) with hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold three individually controlled full size and three one-third size pans (not included). T-8 top and nose lights in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSGUWLR72.T1	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR72.T1) with hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper display area with clear glass rear sliding doors, header lights with shatter resistant bulbs and the ability to hold five individually controlled full size and five one-third size pans (not included). T-8 top and nose lights in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSGUWLR96.T1	The deli display case shall be Structural Concepts’ Fusion combination service/self-service case (FSGUWLR96.T1) with hot service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single

	pane curved front glass in upper display area with clear glass sliding rear doors, header lights with shatter resistant bulbs and the ability to hold seven individually controlled full size pans and seven one-third size pans (not included). T-8 top and nose lights in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSO4837R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service work counter case (FSO4837R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and (1) adjustable/removable lighted metal shelf. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSO7237R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service work counter case (FSO7837R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and (1) adjustable/removable lighted metal shelf. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSO4860R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 60"H case (FSO4860R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSO4860W	The deli display case shall be Structural Concepts' Fusion hot self-service case (FSO4860W) with stainless steel interior, two full end panels with mirror on inside of panel, front access to controls and heated metal shelves with lights. Conforms to NSF Standard 4. One year parts and labor warranty.
FSO7260R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 60"H case (FSO7260R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSO7260W	The deli display case shall be Structural Concepts' Fusion hot self-service case (FSO7260W) with stainless steel interior, two full end panels with mirror on inside of panel, front access to controls and heated metal shelves with lights. Conforms to NSF Standard 4. One year parts and labor warranty.
FSO9660R	The deli display case shall be Structural Concepts' Fusion refrigerated self-service open 60"H case (FSO9660R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6' power cord and adjustable/removable, non-lighted metal shelving. Two laminated end panels with mirror on inside of panel. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSO9660W	The deli display case shall be Structural Concepts' Fusion hot self-service case (FSO9660W) with stainless steel interior, two full end panels with mirror on inside of panel, front access to controls and heated metal shelves with lights. Conforms to NSF Standard 4. One year parts and labor warranty.
FSP48	The deli display case shall be Structural Concepts' Fusion combination preparation/self-service case (FSP48) with preparation service display

	above and refrigerated self-service display below (without rear storage). Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½”D Sanalite work surface, 7 ½”D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSP72	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (FSP72) with preparation service display above and refrigerated self-service display below (without rear storage). Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½”D Sanalite work surface, 7 ½”D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSP96	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (FSP96) with preparation service display above and refrigeration self-service display below (without rear storage). Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 7 ½”D Sanalite work surface, 7 ½”D Sanalite flip-up ledge and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSP4842R.T1	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (FSP4842R.T1) with preparation service display above and refrigerated self-service display below (with rear storage). Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 16”D Sanalite work surface and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSP7242R.T1	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (FSP7242R.T1) with preparation service display above and refrigerated self-service display below (with rear storage). Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 16”D Sanalite work surface and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
FSP9642R.T1	The deli display case shall be Structural Concepts’ Fusion combination preparation/self-service case (FSP9642R.T1) with preparation service display above and remote refrigerated self-service display below (with rear storage). (1) adjustable/removable non-lighted metal shelf and T-8 top and nose lights. Two laminated end panels with mirror on inside of panel. Adjustable condiment pan rail w/ 16”D Sanalite work surface and three sided sneeze guard glass. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor warranty.
FSSUWLR72.T1	The deli display case shall be Structural Concepts’ Fusion combination service and self-service/self-service case (FSSUWLR72.T1) with hot service and self-service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package,

	Temperature Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper service display area with clear glass rear sliding doors, header light with shatter resistant bulbs and the ability to hold three individually controlled full size and three one-third size pans (not included). T-8 top and nose lights in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
FSSUWLR96.T1	The deli display case shall be Structural Concepts’ Fusion combination service and self-service/self-service case (FSSUWLR96.T1) with hot service and self-service display above and refrigerated self-service display below. Breeze™ slide-out self-contained refrigeration package, Temperature Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan and 6’ power cord. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass in upper service display area with clear glass rear sliding doors, header light with shatter resistant bulbs and the ability to hold five individually controlled full size and five one-third size pans (not included). T-8 top and nose lights in lower display area. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor; five year compressor warranty.
RDG4848R	The deli display case shall be Structural Concepts’ Renaissance refrigerated service case (RDG4848R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, lighted mezzanine shelf and T-8 top lights. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
RDG5948R	The deli display case shall be Structural Concepts’ Renaissance refrigerated service case (RDG5948R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, lighted mezzanine shelf and T-8 top lights. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
RDG7748R	The deli display case shall be Structural Concepts’ Renaissance refrigerated service case (RDG7748R) with Breeze™ slide-out self-contained refrigeration package, Temperature Terminated Defrost, Clean Sweep™ automatic condenser coil cleaner, electric condensate pan, 6’ power cord, lighted mezzanine shelf and T-8 top lights. Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 7. One year parts and labor; five year compressor warranty.
RDG4848W	The deli display case shall be Structural Concepts’ Renaissance hot service case (RDG4848W) with individually controlled stainless steel heated wells and infrared overhead heat. Each well to accommodate three full size and three one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
RDG7748W	The deli display case shall be Structural Concepts’ Renaissance hot service case (RDG7748W) with individually controlled stainless steel heated wells and infrared overhead heat. Each well to accommodate five full size and five one-third size pans (not included). Two cutaway glass end panels. Lift-up tempered, single pane curved front glass. Clear glass rear sliding doors. Header lights with shatter resistant bulbs. Foam-in-place tub. Black powder coated base rail system. Conforms to NSF Standard 4. One year parts and labor warranty.
