*** Does not include electric defrost on freezer models.

**Regulatory Approvals:**
- All Models: Accordance with AHRI Std 1200
- ETL Listed to UL 471
- ETL Listed to CAN/CSA 22.2 No. 120
- ETL Sanitation to NSF 7

![Regulatory Approvals](image2)

**Important Notes:**
1) ELECTRICAL NOTE: If GFCI is required, a GFCI breaker MUST be used in lieu of a GFCI receptacle.
2) Performance issues (product temperatures, water on floor, etc.) caused by adverse conditions are not covered by warranty.
3) Keep unit at least 15' from exterior doors, overhead HVAC vents, or any air curtain disruption.
4) End panels must be tightly joined or kept at least 6'' away from any structure to prevent condensation.
5) Do not expose unit to direct sunlight or any heat source (ovens, fryers, etc.).
6) Keep at least 8'' of clearance above unit for air discharge (self-contained only).
7) Tile floors, low ceilings, or small rooms will increase noise level. Remote refrigeration recommended.

**WARNING:** This product can expose you to chemicals, including Urethane (Ethyl Carbamate), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
